

**SATURDAY DECEMBER 5<sup>th</sup>**  
**RALLY IN FOLEY SQUARE**  
**STOP THE TERROR TRIAL IN NYC!**

**NEW YORKERS TO ATTORNEY GENERAL HOLDER: "WE WILL FIGHT YOU ALL THE WAY!"**

The 9/11 Never Forget Coalition <http://www.911neverforget.us>, a diverse group of 9/11 victims, family members, first responders, active and reserve members of the military, veterans, and concerned Americans, will hold a December 5<sup>th</sup> rally protesting the plan to bring the 9/11 terrorist conspirators to trial in New York City.

The Coalition formed to fight the decision of U.S. Attorney General Eric Holder to try the 9/11 co-conspirators in New York City's federal court, effectively giving war criminals the same rights as American citizens while endangering the safety of all New Yorkers. Two weeks ago, we sent a letter signed by 300 family members of 9/11 victims to the President, Attorney General and Defense Secretary Robert Gates asking them to reverse course. The letter has now been signed by over 120,000 Americans and is posted at <http://www.keepamericasafe.com>. Please visit the site and add your signature.
